She also takes a drop of blood to check if he has enough red blood cells.

Dany the bull's dad is having a light breakfast today.

He is going to donate blood at the hospital!

Dany decides to accompany his dad; he doesn't understand why his dad wants to donate blood, so if they go to the Hospital, Croco Doc can explain it to him!

Upon arriving at the hospital, Carla the nurse asks Mr. Bull some questions to ensure he can donate blood.

Blood is drawn with a needle
connected to a small tube.

Dany's dad has to open and close
his hand to let the blood flow for
about ten minutes.

Croco Doc explains to Dany that
donated blood has many uses: for
severe accidents, surgeries, blood
diseases of other people, etc.

Moreover, since donors need to
regain energy...

After donating blood, there's a
room with snacks!

Upon returning home, Dany is
very happy.
When he grows up, he also wants
to be a blood donor like his dad!

Croco Doc takes Dany to meet
Billy, a little bull who needs
blood due to an illness. Thanks
to donors like Dany's dad, Billy is
healthy!
